

On behalf of Imaging Sciences International, we would like to invite you to exhibit or sponsor **The 4th International Congress on 3-D Dental Imaging**. As in the previous three years, this meeting brings together dental specialists and 3-D experts to educate and discuss 3-D technology and learn how it will enhance treatment planning and patient care for the dental practice. Cone Beam 3-D technology is still an emerging trend and innovative topic in the industry. Everyday, dentists are being exposed to this revolutionary new technology.

As an exhibitor, you will have the extraordinary opportunity to reach this audience and increase your exposure with unique sponsorship opportunities. Please take a moment to review the list of sponsorships included on the exhibit application.

The 4th International Congress on 3-D Dental Imaging will be held **June 25-26, 2010 at the Estancia La Jolla in La Jolla CA**. This is an excellent opportunity for your company to communicate directly with prospective customers including current i-CAT® Cone Beam 3-D customers as well as other dentists considering this technology. The meeting will feature vendor exhibits and prominent speakers highlighting the latest advances in Cone Beam 3-D Imaging.

Please check www.i-CAT3D.com for the latest program details.

The exhibitor fee is \$1750.00.

Sign up today to receive our early bird discount of \$1500 (Register before December 1, 2009).

Exhibitor fee includes:

- **Exhibitor forum Friday and Saturday**
- **2 company representative badges**
- **Four meals and a cocktail reception**
- **6' Table, 2 chairs, standard electric, and a trash can**
- **Listing including logo and company description in the official meeting program**
- **Links to your company website posted on the meeting website (www.i-CAT3D.com)**
- **Representation on all meeting signage**
- **List of attendees distributed to exhibitors AFTER the meeting concludes**

Any electrical needs (including internet access) above the standard outlet (1 20 amp outlet with power strip), material handling or labor charges are not included in the exhibitor fee and are the responsibility of the exhibitor.

PLUS you have the ability to DOUBLE your exhibit space for FREE! Simply register 10 attendees by promoting the event with materials provided by Imaging Sciences and get an additional booth space for FREE! To inquire about further details, please contact Nicole.Serago@imagingciences.com or by phone at 267-954-0227.

Sponsorship opportunities are listed on the exhibit application. Sponsors will be recognized in all promotional materials distributed before the meeting and prominently recognized during the formal presentations.

Last year we sold out of exhibit space and expect to do so again this year. Exhibitor and Sponsor space is limited and will be filled on a first come first served basis, so please register **TODAY!**

If you have any questions or need any additional information, please contact Nicole Serago at 267-954-0227 or by email Nicole.serago@imagingciences.com. Please complete the application and contract for exhibit space indicating your preferences for sponsorship opportunities.

Please note a floor plan will be sent after the contract is received!

We look forward to seeing you in June 2010.

Best regards,
Imaging Sciences International, LLC
